WHY WE ADVERTISE

REDUCE THE COST OF GROCERIES

We are paying for this space for the sole purpose of impressing upon your mind the FACT that there is not another store in this section that can give you better values for your money than we do. We doubt if any do as well.

We must depend upon many sales, because our profits are very small—so small, in fact, that without a great volume of business we could not possibly make them.

Every dollar spent in this store helps to keep prices in this community down. It's to your own interests to trade with us. You get your money's worth.

WE WANT YOUR BUSINESS, and are making the prices to get it.
